| | |
|--|--|
| How windy? (On the summits) | Northeasterly 20mph, may increase to 25mph. |
| Effect of wind on you? | Fairly small. |
| How wet? (Precipitation and its impact) | No rain |
| Cloud on the hills? | Not expected |
| Chance of cloud free summits? | Almost certain |
| Sunshine? Air clarity (below cloud) | Extensive bright sunshine. Visibility very good, but slight haze. |
| How Cold? (at 900m) | 1C, but perhaps 3C toward west coast. |
| Freezing Level | 900m or above. |

Snowdonia National Park - Looking Ahead

| | Saturday 28 March | Sunday 29 March |
|---|---|--|
| How windy? (On the summits) | Northeasterly 30 to 35mph. | North or northeasterly 30-35mph, probably gradually easing toward 25mph. |
| Effect of wind on you? | Walking frequently arduous on higher areas and wind chill significant. | Walking may well be arduous on higher areas during morning, although conditions are likely to ease. |
| How wet? (Precipitation and its impact) | Isolated rain morning Risk isolated light rain post dawn; dry by mid, possibly late morning. | Precipitation very unlikely Risk isolated very brief hail flurries. |
| Cloud on the hills? | All clearing Some uncertainty in the extent of cloud covering higher slopes after dawn. The base will lift and by late morning, possibly midday all summits will be cloud free. | Not expected |
| Chance of cloud free summits? | 70% | 90% |
| Sunshine? Air clarity (below cloud) | Patchwork of bright sunshine and excellent visibility by about midday. | Sunshine will become occasional as cloud progressively fills in. Superb visibility. |
| How Cold? (at 900m) | 0 or 1C. | -5C rising to 0 to -2C, coldest northern summits in Snowdon range. |
| Freezing Level | 900m Snowdon range; just above highest tops elsewhere. | Terrain partly frozen from valleys up at dawn. Will mostly thaw as freezing level reaches 750 to 950m by late afternoon. |

Planning Outlook**All mountain areas of Britain from Saturday, 28 March, 2020**

Frequently cold over the next week, leaving higher terrain in Scotland frozen and intermittently frozen elsewhere. Precipitation amounts very small, although a few hail flurries, mainly N Scotland.

Scottish MR Note: Scot Gov has stated that "essential travel only must be undertaken" in order to protect our rural communities and prevent extra pressure on our Emergency Services. Now is the time to avoid unnecessary mountain activities and consider our social responsibilities. More info, visit: <https://www.gov.scot/coronavirus-covid-19/>
