General Summary for Thursday, 3 July, 2025

British Mountain Summary:

Based on forecast chart for noon 3 July, 2025

Southwesterly winds strengthen; showery rain becomes increasingly widespread across the Highlands, more frequent rain in western areas. Patchy rain reaches Cumbria with time as cloud thickens. Wales and south Pennines stay dry with a good deal of sunshine.

Headline for Southern Uplands

Increasingly breezy. Showery rain developing from west.

Detailed Forecast for Thursday, 3 July, 2025

How windy? (On the summits)	Southwesterly 20 to 25mph, tending to strengthen, reaching 30mph higher tops.
Effect of wind on you?	Starting to affect comfortable walking on higher tops.
How wet? (Precipitation and its impact)	Rain developing from west A little rain mostly Galloway hills, but turning persistent with time; showery rain spreads eastwards into afternoon.
Cloud on the hills?	Mostly little, lowering from west Patches mostly on western tops in morning, little if any elsewhere. Lowering over upper slopes as rain develops, may fill in Galloway hills.
Chance of cloud free summits?	70%, dropping to 40% west
Sunshine? Air clarity (below cloud)	Patchwork of cloud and sun, clouding over from west with time. Visibility excellent, reducing as rain occurs.
How Cold? (at 750m)	8 to 11C, highest toward east afternoon.
Freezing Level	Above the summits

All mountain areas of Britain from Friday, 4 July, 2025

Friday brings sustained heavy rain to western Scotland, rain extending further south with time; gales over the mountains, severe on Scottish tops. The weekend stays unsettled, windy and rather cool with low pressure bringing heavy showery rain widely, risk isolated thunder. Next week maintains a mixed westerly regime with greatest risk of rain toward northwest Scotland, drier and warmer further south and east.

The production of the Scottish forecasts is fully funded by the Scottish Government through Mountaineering Scotland with the support of sportscotland. Forecasts are issued daily by 16:30 and are kept under review and amended as necessary.
